

## INTERNSHIP, BACHELOR AND MASTER THESIS (M/W/D)

### THIS IS BOECK!

boeck GmbH is a leading manufacturer of innovative tools for deburring, brushing, polishing and grinding. We offer you very good development opportunities in a work environment full of variety. You work with state-of-the-art technologies and in an innovative, growing company.

### WHY US

- » No levels of hierarchy - Everyone is responsible
- » No monotonous work - tasks from simple to super complex
- » No politics - family friendly working atmosphere
- » No time clock - Independent work from morning to night
- » No bad moods - With a lot of fun and focus to reach the goal
- » No standstill - We are FOCUS Growth Champions 2021
- » No losers - We play to win

#### HANDS-ON MENTALITY

You can expect independent projects from idea to product.

#### MODERN WORK ENVIRONMENT

You work with the state-of-the-art technologies in an innovative, fast-growing company.

#### GREAT WORK ATMOSPHERE

You can expect an open-minded team and a lot of fun - also out of the office.

**„It's awesome that my ideas are really implemented and don't remain just theory.“**

*Dustin Geisenhof, bachelor student in development and design*
